PROMPT—MARCH 1st, 1928.

CONDITIONS OF SALE.

FIRST—The highest Bidder to be the Purchaser. The Vendors retain the right to bid by themselves or their agents, or to alter, vary or withdraw any Lot or Lots before or during the Sale. The Selling Broker, however, may, without giving any reason therefor, refuse to accept the bidding of any person or persons.

SECOND—If any difference shall arise during the Sale as to the sale of any Lot the same shall be put up again and re-sold; and if any difference shall arise between any two or more Purchasers the same shall be left to the decision of the Selling Brokers, whose decision shall be final and binding.

THIRD—The Selling Brokers will deliver to the Purchasers on the day following the Sale Contracts for the goods purchased, and such Contracts shall be accepted by the Purchasers and binding on them unless exception is taken within 24 hours of delivery of same and proved to the satisfaction of the Selling Broker.

FOURTH—The Company will not recognise or act upon any notice of the transfer by the Purchaser to any other party of any goods purchased unless such transfer is made out on the printed form provided by the Company for the purpose; the said form shall embody a Declaration to the effect that, in the event of the failure of the transferee to meet his obligations in respect of the goods so transferred, the original Purchaser shall be held liable for payment of the full amount to the Company.

FIFTH—All payments shall be made to the Secretary of the Company, who will give receipts for the same on the Company's printed forms, and will authorise the Warehouse Keeper to deliver Lots so paid for upon the presentation of a Delivery Order signed by the Purchaser.

SIXTH—The Purchasers at this Sale shall at the time of purchase pay such deposit as shall be required by the Company of not less than 25 per cent. on the amount of their respective Lots.

SEVENTH—The Lot or Lots to be taken with all faults, and to be told off, paid for, cleared, and removed from the Warehouse, on or before **Thursday, the 1st day of March**, next. In the event of a Purchaser failing to pay on or before the Prompt Day the full amount of his purchase, the Company shall be at liberty to make a charge equal to one-half of 1 per cent. of the amount of the purchase outstanding for each month or part of a month after the Prompt Day, in addition to interest at the rate of 6 per cent. per annum.

EIGHTH—In the event of a Purchaser failing to pay on or before the Prompt Day the full amount of his purchase, and neglecting to make arrangements as provided for in the Seventh Condition of Sale, or if he shall become bankrupt or insolvent or make an arrangement or composition with his creditors, or suspend payment, or commit any act of bankruptcy, the Company shall be at Liberty, as soon as they may think proper, and without further notice, to re-sell the Lot or Lots in question; and the said Purchaser, or his Trustee, or Estate, or any Assignee of such Purchaser shall, on demand, pay to the Company the deficiency, if any, between the purchase-price and the net amount realised on such re-sale, without any allowance for the deposit, which shall be forfeited to the Company; and if such Lot or Lots shall at such re-sale sell for more than at the present Sale, the Company shall be entitled to the surplus.

NINTH—All Lots, whether paid for or not, shall be at the sole risk of the Purchasers from the fall of the hammer, and the Company will not be responsible for any loss of or damage to any Lot or part of a Lot after such time, whether arising from negligence of any person in the employment of the Company or from any other cause whatsoever.

In the event of any Purchaser wishing to defer taking delivery of his Lot or Lots, the Company will be prepared, provided they have been paid for in full, to hold same in their Warehouse, free of charge, **for a period not exceeding six months from the Prompt Day at the sole risk of the Purchaser as above-mentioned** but whilst they remain in the Company's custody they will be insured against fire and burglary, free of charge, under the conditions of the Company's Policies with the Insurance Companies. A charge of 1% per month of the sale value will be made when Lots remain in the Company's custody for more than six months from the Prompt Day.

TENTH—The above conditions shall apply to the HAIR SEAL, RABBIT and SUNDRIES, except that these goods **must be cleared and taken away on or before Thursday, the 1st day of March next.**

ELEVENTH—The Company will permit Purchasers who have paid for their goods to superintend the counting or weighing previously to the Lots being packed or delivered.

No claims will be allowed by the Company after the goods have been packed or delivered from their Warehouse.

TWELFTH—The Company will not hold themselves responsible for the marks, descriptions or quantities in the Catalogue.

By Order of the Governor and Committee,

J. CHADWICK BROOKS,
Secretary.
